President – Hospitality and administration for LGPE went smoothly.

Ballots for amendments to the LCBA by-laws will be sent in April. Vicki Sanderford, Secretary, will collect and tally the responses.

Recruitment remains a priority. There are several positions open. Annie Jones has accepted a position as either Membership Coordinator or Uniform Coordinator.

Frames have been ordered for the new Chorus photos.

Secretary – Nothing to report

Treasurer – Balance on hand is \$28,805.98 All accounts are up to date. GMEA performance expenses for the Chorals spiraled upwards. It was asked that the board reconsider the way overnight expenses and transportation expenses are considered in the future unless making the outing more inclusive to Chorus members.

Cluster Concert – Lea will order pizza. Cheryl will obtain bottled water and candy for the goody bags. Students will put the goody bags together. Several students will work with the 8th graders from 4:45-5:00. Sectionals will be 5:00-5:30(ish). Following sectionals, 8th graders and high school volunteers will return to the Chorus Room for pizza. Plan on 130 8th graders and 15 volunteers.

Volunteer Coordinator – Katy is in process of obtaining the appropriate volunteers for the Cluster Concert.

Dr. Williams – LGPE went very well. Dr. Williams was asked to tell the volunteers that it was “marvelous”! All Lassiter choirs received superiors for their performances. All choirs except 9th and 10th grade girls received superiors for sight reading. The 9th and 10th grade girl choirs received excellents. Dr. Williams was extremely pleased with the results. He noted that this year’s sight reading was the most difficult he had ever seen.

Dr. Williams will get in touch with Erica Brasco regarding the programs for the Cluster Concert. That concert will be March 13th at 7:00.

That only leaves Spring Concert and the Banquet for this school year. Thank you to all.

The next meeting is scheduled for April 10th at 7:00 in the Chorus Room.

Meeting adjourned at 7:22 by Stephanie Langmaid.
