Programs – Erika will have the programs ready for the 26th

Membership – There was one new membership added this month.

As a side note, Melissa mentioned that it would be valuable to rope off the reserved seats early in the afternoon on the day of the Cluster Concert next year. Many of the reserved seats already had guest sitting in them when she arrived this years. Many of those guests were assumed to be grandparents due to their age. It was awkward asking them to move.

Dr Williams – Charms has been updated as to any drops or changes this semester. It is hard to believe it is the end of the year.

A June or July meeting date is yet to be determined. The meeting adjourned at 7:44.
